

NOTICE
TOWN OF SMYRNA RESIDENTS
ANNUAL FALL CLEAN-UP

In an effort to assist residents in cleaning and maintaining their properties, Smyrna will have its Annual Fall Clean-up October 11th through October 22nd, 2021. This clean-up is designed to help citizens dispose of items the trash contractor does not accept. Town Crews will pick up all items except demolition debris, tires, and hazardous materials (refrigerators, freezers, air conditioners contain Freon and will not be picked up). Items to be picked up must be set at curbside.

We ask for your patience and cooperation. Due to the quantity of streets and trash to be collected, the crew is unable to accommodate special requests for pick up. Please be assured that the crew will devote as much time as possible to this important service.

All items set out after October 22, 2021 must be in compliance with our normal household trash pick up regulations.

Thank you for your cooperation in the effort to make Smyrna a cleaner, more beautiful community.

Andrew S. Haines, Town Manager
